

## Programme Introduction

YM Career 360 Programme aims to identify and nurture new talents by attracting candidates to join the hospitality industry, discovering professional talent and promoting employability for candidates in need.

## Programme Features

- Through combining industry component and learning component, students can learn in the workplace while preparing themselves for degree programme
- Strong hospitality and tourism network provides a sustainable platform for personal development and career progression.

## Programme Content

### INDUSTRY COMPONENT

The workplace training component is one of the major components of the programme, under which industry partner acts as a participating employer of the programme by offering a 2-year employment contract to students. Students are obligated to work for 4-5 days (depending on the contract of agreement between the Industry Partner and the College). Industry partner is responsible for the followings:

- Monthly recommended remuneration to student of not less than HK\$10,000; and
- Tuition fee for the Diploma in Hotel and Holiday Business Operation programme.

### LEARNING COMPONENT

Learning component is the other major components of the programme. Students will be enrolled in the “Diploma in Hotel and Holiday Business Operation” (Qualifications Framework Level 3), which students are required to study in the College one day per week and complete 11 modules throughout the contract period of two years.

### CORE SUBJECT

- Practical English in Hospitality
- Practical Chinese
- E-Business in Hospitality
- Professional Customer Service in Hospitality
- Understanding Hospitality Industry
- Health and Safety Control

### HOTEL & HOLIDAY BUSINESS
